## Overview of Codes and Procedures

Sporting excellence and enjoyment are only achieved by participants and spectators through adherence to the highest moral, ethical and sporting standards. Our mission is to establish England Netball as a top-performing, financially sustainable National Governing Body that promotes 'Netball for Life' and develops world-class athletes.

One of our underlying objectives is to establish a safe, fair and inclusive sporting environment.

To achieve this ambition, we must continue to engage everyone in our Sport and provide them with an enjoyable, exciting and stimulating experience. The promotion of respect, high standards of sporting behaviour and ethics are fundamental to this objective. Our Codes of Conduct set out the standards and expectations that are applicable to every Member and Connected Participant involved in the delivery of Netball under the auspices of the National Governing Body in England.

The Code of Conduct for Members and Connected Participants is applicable to everyone involved with Netball. This code is adapted and augmented depending on the additional roles undertaken by the individuals concerned. These additional codes of conduct should not be considered in isolation.

Breaches in standards and expectations must always be taken seriously and fairly handled according to open and transparent regulations. The application of sanctions must be consistent, relevant and proportionate. Our *Disciplinary Regulations* define the regulations under which any breach or alleged breach will be investigated.

It is the responsibility of all Members and Connected Participants to understand England Netball's standards and expectations under the individual codes of conduct and to help us ensure that the code is applied by all netball participants in England.

## Cultural Behaviours and Guiding Principles

We have three core cultural behaviours that are critical to how we deliver our strategic goals;

- WE ARE PIONEERS: Never settling, continuously learning and innovating... to be the best that we can be.
- WE EMPOWER: Through collaboration and trust we have confidence in ourselves and others to make the right decisions and get things done.
- WE ARE PASSIONATE: Driven to succeed without ego, inspiring others along the way.

We are strong believers that it is the culture within netball that makes it a special place to belong and drives successes. Our netball family are passionate and dedicated to making Netball the best that it can be.

Our cultural behaviours are underpinned by the following guiding principles which shape and frame our organisation's culture, personal relations and decision-making. These principles are:

- We are a customer-focused sports business. We will always place the participant at the heart of everything we do and provide the best quality service we can but we will balance that with the need to grow and manage a sustainable business.
- We will value and respect the contribution and needs of our volunteer workforce who are integral to our success.
- We will centrally coordinate and locally deliver our portfolio of programmes and products targeting resource at the point of need (one size does not fit all). By ensuring pathways are integrated and securing a return on our investment (financially or socially) creating capacity to reinvest in the business and delivering long-term sustainability.
- We will be innovative and progressive in our thinking, always connecting short-term actions to medium-term strategies and long-term goals and striving to improve the quality and standard of what we do and how we do it.
- We will work as 'one team aligned to one dream' for the benefit of netball in England and as such we will succeed or fail together.

- We will work in partnership and collaboration where there is a mutual benefit in terms of operational effectiveness and efficiency, value for money and added value for participants in netball.
- We will develop, enable and encourage programmes and activities that have a positive and beneficial impact on the lives of netball participants.
- We will establish integrated planning and process pathways that enable rather than constrain service excellence, making England Netball easy to do business with and add value to the participant.
- We will recognise and celebrate individual and collective contributions and success.

## Code of Conduct Parents/ Carers

The enjoyment and safety of your child when involved in a netball activity is of paramount importance to England Netball. Every child will be encouraged and asked to ensure that their behaviour and actions meet the values and standards expected of them at all times. As parents, you are asked to support our Codes of Conduct and embrace the spirit of our game.

As a parent/carer, I will:

- Encourage my child to play within the rules and respect officials' and coaches' decisions
- Support my child's efforts and performance, give positive comments that motivate and encourage continued effort and learning
- Understand that Competition is about winning and losing, so results are always accepted without undue disappointment
- Be a positive role model to my child by helping them work towards skill improvement and high standards of sporting behaviour
- Remember that children learn best by example; I will applaud good play by both my child's team and their opponents
- Thank the coaches, officials and other volunteers who give their time for my child and not interfere with their decisions
- Help when asked by a coach or official
- Respect the rights, dignity and worth of all people involved in the game, regardless of gender, marital status, race, colour, disability, sexuality, age, occupation, religion or political opinion
- Never engage in discriminatory abuse or anti-social behaviour which could include but is not limited to racism, sexism, antisemitic, Islamophobic, homophobic or transphobic behaviour.
- Read the rules of the Sport to understand better what I am watching and discussing with my child
- Promote this code of conduct to other parents, carers and supporters
- Be aware of my child's club safeguarding policy and ensure that any concerns are reported to the club's safeguarding officer or England Netball's Lead Safeguarding Officer.

As a parent/carer, I will not:

- Pressure my child in any way; I know that this is their Sport not mine
- Use inappropriate language, harass athletes, coaches, officials or other spectators
- Criticise or ridicule my child for making a mistake or losing after the game
- Force my child if they are unwilling to participate in the Sport
- Use Social Media technology to bring the game into disrepute or make an inappropriate comment about an athlete, coach, official, volunteer or member of England Netball staff
- Arrive at a netball activity under the influence of or consume illegal substances, alcoholic drinks, smoke or vape either immediately prior to or while being at a netball activity where my child is participating in the Sport.

I will endeavour to abide by this code of conduct and promote it to others.

I understand that if I fail to follow the code England Netball may take action against me under the Disciplinary Regulations which may result in Sanctions including suspension.
